

Xencor, Inc. Announces Proposed Public Offering of Common Stock

March 19, 2018

MONROVIA, Calif., March 19, 2018 /PRNewswire/ -- Xencor, Inc. (NASDAQ: XNCR) today announced that it intends to offer and sell, subject to market and other conditions, 5,000,000 shares of its common stock in an underwritten public offering. Xencor expects to grant the underwriters a 30-day option to purchase up to an additional 750,000 shares of common stock. All of the shares are being offered by Xencor. There can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering.

Xencor anticipates using the net proceeds from the offering for working capital and general corporate purposes, including for research and development expenses, general and administrative expenses, manufacturing and clinical development expenses.

Leerink Partners and Piper Jaffray & Co. are acting as joint book-running managers in the offering.

A shelf registration statement relating to the shares was previously filed with and became effective by rule of the Securities and Exchange Commission. The offering is being made solely by means of a prospectus. A preliminary prospectus supplement and accompanying prospectus relating to the offering will be filed with the Securities and Exchange Commission (SEC) and will be available on the SEC's website located at <http://www.sec.gov>.
