

Xencor Announces Pricing of Public Offering of Common Stock

March 20, 2018

MONROVIA, Calif., March 20, 2018 /PRNewswire/ -- Xencor, Inc. (NASDAQ: XNCR) today announced the pricing of an underwritten public offering of 7,300,000 shares of its common stock at a price to the public of \$31.00 per share. All of the shares are being sold by Xencor. The gross proceeds to Xencor from the offering, before deducting the underwriting discounts and commissions and offering expenses, are expected to be approximately \$226.3 million. The offering is expected to close on or about March 23, 2018, subject to customary closing conditions. In addition, Xencor has granted the underwriters of the offering a 30-day option to purchase up to an additional 1,095,000 shares of its common stock solely to cover over-allotments at the public offering price, less the underwriting discounts and commissions.

Xencor anticipates using the net proceeds from the offering for working capital and general corporate purposes, including for research and development expenses, general and administrative expenses, manufacturing and clinical development expenses.

Leerink Partners and Piper Jaffray & Co. are acting as joint book-running managers in the offering. Cantor Fitzgerald & Co., Wedbush PacGrow, Canaccord Genuity and BTIG are acting as co-managers in the offering.

A shelf registration statement relating to the shares was previously filed by Xencor with and became effective by rule of the Securities and Exchange Commission (SEC). The offering is being made solely by means of a prospectus. A final prospectus supplement and accompanying prospectus relating to the offering will be filed with the SEC and will be available on the SEC's website located at <http://www.sec.gov>.
