A live webcast of the presentation at the Jefferies conference will be available under "Events & Presentations" in the Investors section of the Company's website located at [www.xencor.com](http://www.xencor.com). A replay will be posted on the Xencor website approximately one hour after the live event and will be available for 30 days.

### About Xencor, Inc.

Xencor is a clinical-stage biopharmaceutical company developing engineered monoclonal antibodies for the treatment of cancer and autoimmune diseases. Currently, 17 candidates engineered with Xencor's XmAb<sup>®</sup> technology are in clinical development internally and with partners. Xencor's XmAb antibody engineering technology enables small changes to the structure of monoclonal antibodies resulting in new mechanisms of therapeutic action.
